

## **Biography: Erika Crespo**

Pretreatment Team  
Water Quality Division  
Texas Commission on Environmental Quality

### ***Current Position***

As the Pretreatment Team Leader, Ms. Crespo supervises a team of amazing staff who are responsible for overseeing and auditing numerous pretreatment programs throughout the state.

### ***Prior Experience and Education***

Ms. Crespo received a Bachelor of Science degree in Biology/Forensic Science from the University of Texas at Arlington in 2009. While studying Geology/Geochemistry in graduate school, Erika found her passion for environmental science. She was offered the opportunity to learn and grow professionally through the TCEQ Mickey Leland Environmental Internship Program in 2012, and the experience was both inspiring and life-changing for her. Erika began working for the TCEQ in August 2014 as a part of the Monitoring Division in the Office of Compliance and Enforcement. In May 2015, she joined the Water Quality Division as an Industrial Permit Writer. Erika became the Team Leader for the Pretreatment Team in March 2018.
